

CURRICULUM VITAE

Mohammadreza

Kalantarhormozi

Associate Professor, Department of internal medicine,
Faculty of Medicine,
Bushehr University of Medical Sciences, Bushehr, Iran

First Name: Mohammadreza

Last Name: Kalantarhormozi

Date of Birth: 1969

Marital Status: Married , 2 children

Tel: (+98 773) 2520715

Fax: (+98 773) 2520715

E-mail : m.kalantar@bpums.ac.ir

m.kalantarhormozi@yahoo.com

P. O. Box: 13145-1449, Busher, Iran

Education

Degree	Field	Institution	City	Country	Date
M.D.	General physician	Shiraz univ.	Shiraz	Iran	1374
Speciality	Internal Medicine	Shiraz Univ.	Shiraz	Iran	1383
Subspeciality	Endocrinology	Shiraz Univ.	Shiraz	Iran	1387

Thesis

Title: Risk Factors of Diabetes Mellitus in Shiraz City, 2007 Supervisor: Gholamhossein Ranjbar Omrani

Academic Appointments

2007-2017: Assistant professor of internal medicine, Bushehr University of Medical Sciences

2017- current: Associate professor of internal medicine, Bushehr University of Medical Sciences

Trainings Passed

Courses: Bone densitometry

Workshops:

- Teaching methodology
- Clinical education
- Developing an educating program
- Search article in internet databases
- Creativity
- Internal evaluation
- Teaching method with emphasis on small group
- Scientific writing
- End note
- Statistic and research methodology

Publications

Presented papers

Serum magnesium concentration and bone mineral density

Mohammad Hossein Dabbaghmanesh, Marzieh Bakhshayesh, Karam, Mohammad Reza Kalantar Hormozi, Gholamhossein Ranjbar Omrani,
Shiraz Endocrine and Metabolism Research Center.

8TH International congress of Endocrine Disorders & 2nd Arab – Iran Congress of Endocrinology and metabolism

Serum calcium and copper concentrations in Type-2 Diabetic Patients

Mohammad Hossein Dabbaghmanesh, Seyed Javad Siadatan, Mohammad Reza Kalantar Hormozi, Arash Aria, Marzieh Bakhshayesh Karam, Gholamhossein Ranjbar Omrani
Shiraz Endocrine and Metabolism Research Center

8TH International congress of Endocrine Disorders & 2nd Arab – Iran Congress of Endocrinology and metabolism

Serum calcium and copper concentrations in Type-2 Diabetic Patients

Mohammad Hossein Dabbaghmanesh, Seyed Javad Siadatan, Mohammad Reza Kalantar Hormozi, Arash Aria, Marzieh Bakhshayesh Karam, Gholamhossein Ranjbar Omrani
Shiraz Endocrine and Metabolism Research Center

8TH International congress of Endocrine Disorders & 2nd Arab – Iran Congress of Endocrinology and metabolism

Zinc concentration in adult population of Shiraz, Iran

Gholamhossein Ranjbar Omrani, Helen Taheri Boshrooyeh, Mohammad Hossein Dabbaghmanesh, Mohammadreza Kalantar Hormozi
Shiraz Endocrine and Metabolism Research Center

8TH International congress of Endocrine Disorders & 2nd Arab – Iran Congress of Endocrinology and metabolism

pioglitazone effect on glucocorticoid induced osteoporosis in rat

vasheghani M, kalantar Hormozi MR, Sovayyed M
2nd Iranian Congress of Endocrine & Metabolism Updates
22-24 April 2009
Isfahan- Iran

prevalence of obesity in adult population in shiraz

Tohidi M, kalantar Hormozi MR, Adinepour A
2nd Iranian Congress of Endocrine & Metabolism Update 22-24 April 2009 Isfahan- Iran

B cell preservation in treatment of diabetes

1st congress of metabolic syndrome and thyroid disease
Homa hotel (NO1) . Mashhad, Iran, 18-20 apr 2018

Approach to the patient with hypertension, unexplained hypokalemia, and metabolic alkalosis

National congress on clinical case reportes

26-27 Dec 2018 , Karaj , Iran

Administrative Positions

- Vice-Chancellor for Education, Fatemeh Zahra Hospital, Bushehr university of medical sciences
- Teaching: Attending in Endocrinology and Metabolism and consultation service at Bushehr university of medical science, supervising teaching interns and medical students
- Endocrinology and Metabolism pathophysiology courses for 2th year medical students
Clinical / Practical : Endocrinology and Metabolism, Internal medicine

Scientific-Executive Records

- Reviewer of Iranian South Medical Journal
- Professional Memberships:
- Member of Iranian Endocrinology and Metabolism
- Member of medical organization

Professional Interests:

thyroid, pituitary gland and osteoporosis
Personal Interest: My family, climbing
